

Gawthorpe Community Academy NEWSLETTER

A word from Mrs Berry and Mrs Davies:

As we reach the end of another brilliant academic year, it is the perfect time to reflect on just how fantastic the past twelve months have been across our school. Most recently, the summer heatwaves truly highlighted what resilient, dedicated and hard-working children and staff we have, with everyone pulling together and keeping their spirits high. A heartfelt thank you goes out to our entire school community - our wonderful pupils, our fantastic staff team and our amazing parents and local community - for your relentless support and partnership throughout the year. We are so proud of everything we have achieved together and cannot wait to build on this momentum in the terms ahead! We will be sending out next academic years dates both through email and Dojo. Have a safe, sunny and truly fantastic summer break and we can't wait to welcome everyone back through the gates in September!

A message for our Year 6 children.

As you get ready to take your next big step, remember that while saying goodbye is never easy, we couldn't be prouder of the incredible young people you have become. Your future high schools are exceptionally lucky to be welcoming such hard-working, resilient and respectful children through their doors. We have endlessly admired your positive 'can-do' attitudes and the wonderful, supportive friendships you've built with one another over the years. Now, it's time to celebrate everything you've achieved! Have the most fantastic summer - enjoy every single moment, make unforgettable memories and take time to relax. Keep believing in yourselves, continue to thrive and go out there and change the world - we know you are going to do amazing things!

Wellbeing Weekly

As we know, physical exercise and activity is crucially important in supporting our wellbeing and mental health. Exercise increases our energy levels, makes us more alert and improves our sleep! Yoga is a fantastic way to ensure we are getting our daily amount of physical activity (60 minutes) in a calm, nurturing approach. Please see links below for age-appropriate yoga videos your child can utilise throughout the holidays.
